

Dear Potential Donor:

For more than 80 years, St. Louis Catholic School has been proud to serve the community of Englewood with exceptional education for children of every race and creed. As a non-profit organization, we depend on the hard work of our school families and the generous donations of businesses located throughout the surrounding communities in helping to keep tuition affordable and our facilities safe.

On Sunday, October 18, 2009, St. Louis celebrates its 60th Annual Jamboree and Auction. Not only does this mark a momentous occasion, but it is our major fund-raiser which is vital to our continued success. With raised resources, maintenance and improvement projects are possible. Past endeavors were new flooring for the school, cafeteria repairs, restroom updates, new desks and chairs for classrooms, TVs and LCD projectors, new computers and monitors, computer software, new playground equipment, repairs to the heating and cooling systems for our buildings, scholarships, and much more.

Like most schools, St. Louis struggles with controlling the rising cost of providing exceptional education. With the changing economy, raising the needed funds is more challenging than ever and St. Louis needs your help. This year with your generosity we hope to make St. Louis 60th Annual Jamboree one of the most successful.

We welcome almost all types of donations for our Silent Auction, including monetary gifts, gift certificates of merchandise and/or services, antiques, art pieces, jewelry, electronics, gift baskets, home décor, children's toys and games, camping equipment - whatever you can imagine. We would also ask that you consider donating a trip, tickets to a sporting event, or similar item(s) for use in the Live Auction portion of the Jamboree.

Because St. Louis is a 501(c)(3) organization, your donation is tax-exempt. Our federal taxpayer identification # is 84-04096817, and our Colorado tax-exempt # is 98-18818. Please contact Jaime Langlett for more information or to request a pick up of your donation. Jaime can be reached at 303-358-6527.

Thank you for your consideration. St. Louis looks forward to hearing from you and asks that you respond at your earliest convenience.

Sincerely

Mrs. Pattie Hagen
Principal
