Wednesday

Focus on the Vocations & Family

Student representatives from many of the Archdiocesan Catholic Schools, including St. Louis, will be present at the Capital. The governor will read a proclamation at the beginning of the session and the group will be acknowledged.

Here at St. Louis Catholic School students may dress as saints. They must write up a "recipe" card or 3" X 5" card that tells about their saint. This should be with them and perhaps they will talk about it in religion. A vocation dialogue with our seminarians will take place at 2:00 in the cafeteria for grades 3-8. It will last about 45/60 minutes.

Families are invited to ice skate at Southglenn from 4:00-7:00 pm. The skating is FREE and every skate rental earns the school 500 points PLUS every student that signs in earns the school 500 points! What a great way to have fun, exercise and help the school!
